Figure 1 consists of two horizontal bar charts. The top chart is labeled '65/55 db' and the bottom chart is labeled '70/60 db'. Both charts show the percentage of respondents for different noise levels. The x-axis represents the percentage of respondents, ranging from 0 to 100. The y-axis represents the noise level categories. The 70/60 db chart shows a higher percentage of respondents in the 'Very high' category compared to the 65/55 db chart.

65/55 db

70/60 db
